Lighter and more agile than a housekeeping cart, Mobile-Pack reduces carpet wear and fits easily into guest rooms to help protect surfaces. Mobile-Pack's durable ballistic nylon construction provides years of quality service. Streamlining access to cleaning supplies and amenities can increase productivity, so we created an expert training program to bring Mobile-Pack's highest advantages to your staff.

Exceptional service demands flexibility, so Mobile-Pack is customized in six different models to suit your needs: small, medium, large, deluxe, premium and floor. Each pack features:

- Clear non-marking wheels
- Outside pockets for cleaning supply bottles
- Telescopic handle for easy maneuverability
- Replaceable parts: wheels, telescopic handles and front feet
- Removable inner caddy for guest room amenities: shampoo, soap, small liquor bottles, etc.
