# Introduction

*Kingsway Hotel & Novelties Supplies (HK) Ltd, with our sound prestige and 25-years of experience, has been keeping up with the development of the hotel and catering industry in Hong Kong. Today, nearly 300 leading hotels in Hong Kong, Europe, Middle East, Australia and the United States order from us and we continue to expand to other overseas markets.*

*Whether your linen needs are budget or luxury driven, we can provide you with high quality linens ranging from bed sheets, pillow cases, duvet covers, table clothes and other linens. The same thing can be said about our towels. We can produce bath towels, bath mats, face towels, hand towels, and beach towels according to the size and quality of your choice. Because all of our towels are 100% cotton, they are all soft and absorbent. Your hotel name can also be woven or embroidered on the towels.*

*Our quality and efficient service as well as our zeal to provide our clients with the best products are all embedded in our daily operation. Quality control is an especially important factor. All of our products are carefully inspected during the production, printing and packing phase. Moreover, our centralized purchasing department ensures on-time delivery and cost-efficient bulk purchasing. Our after sales and re-order service are also well taken care of.*

*“Kingsway” can help project and boost your hotel’s image to new heights. If your aim is to attain high quality products at a reasonable price, then you should choose “Kingsway”.*

## ***KING SIZE***

*We can produce curtains to custom sizes according to your needs.  
An assortment of patterns and colors are available as well.*

# Slippers factory

*As shown in the picture below, our workers are given excellent working conditions. Also, we are able to control the quality of our products since we cut, sew, print, and embroider the slippers ourselves. The photo below shows our own automated embroidery machine.*

Sewing Area

Automated embroidery machine

# Linen Factory

*Having our very own weaving machines, we are able to produce towels of various styles and sizes. Again, we provide our employees ample space to work in order to raise their productivity level. The photos as shown below would hopefully give you a better idea about our factory.*
